To whom it may concern:

Sara Kironde Strain worked for several years as Senior Office Administrator with the Brussels office of UK law firm, Rowe & Maw, where I was a partner.

Ms. Kironde Strain demonstrated exceptional organizational and leadership skills and quickly took on increasing levels of responsibility within our team on financial matters, lead coordinator for events, and management of relationships with suppliers and coordination with our financial and administrative teams at our London Headquarters. Her strong interpersonal skills and ability to find solutions, inspired confidence and lent authority in dealings with our suppliers, clients and with colleagues.

Ms. Kironde Strain also brought enthusiasm, commitment and the highest level of integrity to her work. It was a pleasure to work with Sara and her exceptional performance in a very demanding fast-moving international law firm environment, was recognized by our London management who quickly offered her the position of Finance Administrator in our considerably larger London Office when she moved to the UK for family reasons.
